

§ 600.51

34 CFR Ch. VI (7–1–15 Edition)

§ 600.51 Purpose and scope.

(a) A foreign institution is eligible to apply to participate in the Federal Family Education Loan (FFEL) programs if it is comparable to an eligible institution of higher education located in the United States and has been approved by the Secretary in accordance with the provisions of this subpart.

(b) This subpart E contains the procedures and criteria under which a foreign institution may be deemed eligible to apply to participate in the FFEL programs.

(c) Applicability of other title IV, HEA program regulations.

(1) A foreign institution must comply with all requirements for eligible and participating institutions except when made inapplicable by the HEA or when the Secretary, through publication in the FEDERAL REGISTER, identifies specific provisions as inapplicable to foreign institutions.

(2)(i) A public or nonprofit foreign institution that meets the requirements of this subpart, and that also meets the requirements of this part except as provided in §§ 600.51(c)(1) and 600.54(a), is considered an “institution of higher education” for purposes of the title IV, HEA program regulations; and

(ii) A for-profit foreign institution that meets the requirements of this subpart, and that also meets the requirements of this Part, except as provided in §§ 600.51(c)(1) and 600.54(a), is considered a “proprietary institution” for purposes of title IV, HEA program regulations.

(d)(1) A program offered by a foreign school through any use of a telecommunications course, correspondence course, or direct assessment program is not an eligible program;

(2) *Correspondence course* has the meaning given in § 600.2;

(3) *Direct assessment program* has the meaning given in § 668.10(a)(1) of this chapter;

(4) *Telecommunications course* is a course offered through any one or a combination of the technologies listed in the definition of telecommunications course in § 600.2, except that telecommunications technologies may be used to supplement and support instruction that is offered in a classroom located in the foreign country where

the students and instructor are physically present.

§ 600.52 Definitions.

The following definitions apply to this subpart E:

Associate degree school of nursing: A school that provides primarily or exclusively a two-year program of postsecondary education in professional nursing leading to a degree equivalent to an associate degree in the United States.

Clinical training: The portion of a graduate medical education program that counts as a clinical clerkship for purposes of medical licensure comprising core, required clinical rotation, and not required clinical rotation.

Collegiate school of nursing: A school that provides primarily or exclusively a minimum of a two-year program of postsecondary education in professional nursing leading to a degree equivalent to a bachelor of arts, bachelor of science, or bachelor of nursing in the United States, or to a degree equivalent to a graduate degree in nursing in the United States, and including advanced training related to the program of education provided by the school.

Diploma school of nursing: A school affiliated with a hospital or university, or an independent school, which provides primarily or exclusively a two-year program of postsecondary education in professional nursing leading to the equivalent of a diploma in the United States or to equivalent indicia that the program has been satisfactorily completed.

Foreign graduate medical school: A foreign institution (or, for a foreign institution that is a university, a component of that foreign institution) having as its sole mission providing an educational program that leads to a degree of medical doctor, doctor of osteopathic medicine, or the equivalent. A reference in these regulations to a foreign graduate medical school as “free-standing” pertains solely to those schools that qualify by themselves as foreign institutions and not to schools

that are components of universities that qualify as foreign institutions.

Foreign institution:

(1) For the purposes of students who receive title IV aid, an institution that—

(i) Is not located in a State;

(ii) Except as provided with respect to clinical training offered under § 600.55(h)(1), § 600.56(b), or § 600.57(a)(2)—

(A) Has no U.S. location;

(B) Has no written arrangements, within the meaning of § 668.5, with institutions or organizations located in the United States for students enrolling at the foreign institution to take courses from institutions located in the United States;

(C) Does not permit students to enroll in any course offered by the foreign institution in the United States, including research, work, internship, externship, or special studies within the United States, except that independent research done by an individual student in the United States for not more than one academic year is permitted, if it is conducted during the dissertation phase of a doctoral program under the guidance of faculty, and the research can only be performed in a facility in the United States;

(iii) Is legally authorized by the education ministry, council, or equivalent agency of the country in which the institution is located to provide an educational program beyond the secondary education level; and

(iv) Awards degrees, certificates, or other recognized educational credentials in accordance with § 600.54(e) that are officially recognized by the country in which the institution is located; or

(2) If the educational enterprise enrolls students both within a State and outside a State, and the number of students who would be eligible to receive title IV, HEA program funds attending locations outside a State is at least twice the number of students enrolled within a State, the locations outside a State must apply to participate as one or more foreign institutions and must meet all requirements of paragraph (1) of this definition, and the other requirements of this part. For the purposes of this paragraph, an educational enterprise consists of two or more locations offering all or part of an edu-

cational program that are directly or indirectly under common ownership.

Foreign nursing school: A foreign institution (or, for a foreign institution that is a university, a component of that foreign institution) that is an associate degree school of nursing, a collegiate school of nursing, or a diploma school of nursing. A reference in these regulations to a foreign nursing school as “freestanding” pertains solely to those schools that qualify by themselves as foreign institutions and not to schools that are components of universities that qualify as foreign institutions.

Foreign veterinary school: A foreign institution (or, for a foreign institution that is a university, a component of that foreign institution) having as its sole mission providing an educational program that leads to the degree of doctor of veterinary medicine, or the equivalent. A reference in these regulations to a foreign veterinary school as “freestanding” pertains solely to those schools that qualify by themselves as foreign institutions and not to schools that are components of universities that qualify as foreign institutions.

National Committee on Foreign Medical Education and Accreditation (NCFMEA): The operational committee of medical experts established by the Secretary to determine whether the medical school accrediting standards used in other countries are comparable to those applied to medical schools in the United States, for purposes of evaluating the eligibility of accredited foreign graduate medical schools to participate in the title IV, HEA programs.

Passing score: The minimum passing score as defined by the Educational Commission for Foreign Medical Graduates (ECFMG), or on the National Council Licensure Examination for Registered Nurses (NCLEX-RN), as applicable.

Post-baccalaureate/equivalent medical program: A program offered by a foreign graduate medical school that requires, as a condition of admission, that its students have already completed their non-medical undergraduate studies and that consists solely of courses and training leading to employment as a doctor of medicine or doctor of osteopathic medicine.

§ 600.53

Secondary school: A school that provides secondary education as determined under the laws of the country in which the school is located.

[59 FR 22063, Apr. 28, 1994, as amended at 75 FR 67193, Nov. 1, 2010]

§ 600.53 Requesting an eligibility determination.

(a) To be designated as eligible to apply to participate in the FFEL programs or to continue to be eligible beyond the scheduled expiration of the institution's current period of eligibility, a foreign institution must—

(1) Apply on the form prescribed by the Secretary; and

(2) Provide all the information and documentation requested by the Secretary to make a determination of that eligibility.

(b) If a foreign institution fails to provide, release, or authorize release to the Secretary of information that is required in this subpart E, the institution is ineligible to apply to participate in the FFEL programs.

(Authority: 20 U.S.C. 1082, 1088)

§ 600.54 Criteria for determining whether a foreign institution is eligible to apply to participate in the Direct Loan Program.

The Secretary considers a foreign institution to be comparable to an eligible institution of higher education in the United States and eligible to apply to participate in the Direct Loan Program if the foreign institution meets the following requirements:

(a)(1) Except for a freestanding foreign graduate medical school, foreign veterinary school, or foreign nursing school, the foreign institution is a public or private nonprofit educational institution.

(2) For a public or private nonprofit foreign institution, the institution meets the requirements of § 600.4, except § 600.4(a)(1), (a)(2), (a)(3), (a)(4)(ii), (a)(5), (b), (c), and any requirements the HEA or the Secretary has designated as inapplicable in accordance with § 600.51(c)(1).

34 CFR Ch. VI (7–1–15 Edition)

(3) For a for-profit foreign medical, veterinary, or nursing school, the school meets the requirements of § 600.5, except § 600.5(a)(2), (a)(3), (a)(4), (a)(5)(i)(B), (a)(5)(ii), (a)(6), (c), (d), (e) and any requirements the HEA or the Secretary has designated as inapplicable in accordance with § 600.51(c)(1).

(b) The foreign institution admits as regular students only persons who—

(1) Have a secondary school completion credential; or

(2) Have the recognized equivalent of a secondary school completion credential.

(c) Notwithstanding § 668.5, an eligible foreign institution may not enter into a written arrangement under which an ineligible institution or organization provides any portion of one or more of the eligible foreign institution's programs. For the purposes of this paragraph, written arrangements do not include affiliation agreements for the provision of clinical training for foreign medical, veterinary, and nursing schools.

(d) An additional location of a foreign institution must separately meet the definition of a foreign institution in § 600.52 if the additional location is—

(1) Located outside of the country in which the main campus is located, except as provided in § 600.55(h)(1), § 600.56(b), § 600.57(a)(2), § 600.55(h)(3), and the definition of foreign institution found in § 600.52; or

(2) Located within the same country as the main campus, but is not covered by the legal authorization of the main campus.

(e) The foreign institution provides an eligible education program—

(1) For which the institution is legally authorized to award a degree that is equivalent to an associate, baccalaureate, graduate, or professional degree awarded in the United States;

(2) That is at least a two-academic-year program acceptable for full credit toward the equivalent of a baccalaureate degree awarded in the United States; or

(3)(i) That is equivalent to at least a one-academic-year training program in the United States that leads to a certificate, degree, or other recognized educational credential and prepares students for gainful employment in a
